II. Selected Website Resource Links (Annotated)

Media Awareness Network

One of the world's most comprehensive collections of media education, Internet literacy resources, research papers and articles.

<http://www.media-awareness.ca/>

Multicultural Skyscraper

Developed by On-Line/More Colour in the Media, a network of broadcasters, training institutes, and multicultural organizations, this site was set up to act as an information resource to help improve the representation of ethnic minorities in broadcasting. The organization has initiated projects in the fields of employment, training, production and research. The organization issues a newsletter that highlights symposia and events, and discusses issues with regard to media and minorities.

<http://www.multicultural.net/>

Innoversity Conference

Innoversity is a Canadian not-for-profit organization that aims to increase cultural diversity in media and cultural institutions. It is a platform bridging ethnic and visible minority communities and the media. Innoversity runs workshops, an annual Creative Summit and produces two industry newsletters. They have recently called for nominations of best practices case studies from the EU.

<http://www.innoversity.com/>

Standing Committee on Canadian Heritage on the State of the Broadcasting System, 37th Parliament, 2nd Session, Evidence.

Nov. 21st and Nov. 27th. Online:

<http://www.parl.gc.ca/InfoCom/CommitteeMinute.asp?Language=E&Parliament=138&Joint=0&CommitteeID=3274>

Canadian Race Relations Foundation

The Canadian Race Relations Foundation has the mandate to “foster racial harmony and cross-cultural understanding and help to eliminate racism.” They produce a variety of publications, research papers and newsletters on racism and racial discrimination.

<http://www.crr.ca/rt/>

Association for Canadian Studies (ACS). Canadian Diversity Database.

The Canadian Diversity Database offers information on Canadian institutions, organizations and departments dedicated to issues facing Aboriginal Peoples, religion, visible minorities, ethnicity and official languages in Canada. The database is designed as a portal to provide students, professors and researchers with a useful tool to assist them in their research on these topics. It is an ongoing initiative that is regularly updated.

<http://www.acs-aec.ca/cdnDiversity/english/ethnic/index.asp?flag=1&letter=C>

Ryerson University School of Journalism, Diversity Watch

Diversity Watch is “dedicated to improving the often-troubled relationship between minority groups and the Canadian media.” They conduct media analyses on the coverage of minority groups and provide tools for journalists and others interested in diversity issues.

<http://www.diversitywatch.ryerson.ca/>

Metropolis Project, RIIM, Vancouver

A Canadian research centre dedicated to studying the impact of Canadian immigrants on local economies, the family, educational systems and the physical infrastructure of cities. RIIM focuses on the city of Vancouver but it also has links to all other Metropolis sites in Canada and internationally. Metropolis is an international forum for comparative research and public policy development regarding population migration, cultural diversity and the challenges of immigrant integration in cities in Canada and around the world.
